- ___ Attending a 4 year college/university.
- ___ Attending a community college.
- ___ Attending a trade/tech program (apprenticeships).
- ___ Military
- ___ Other: _____

Students are expected to attend and successfully complete all scheduled courses. Every effort is made to enroll students in their first choice of elective courses, using alternates when necessary. Course offerings are based on student requests. Some courses may not be offered due to low student enrollment or other circumstances. It is important that students carefully select elective courses. Not all courses are offered every period each trimester.

**Bring completed form with signatures to Future
