

Incoming Freshmen/New Student Information

Dear Future Raven Families,

Welcome to Ridgeview High School! We hope this information will answer questions for you about enrolling in Ridgeview High School and what our school has to offer.

If you currently attend one of Ridgeview's Feeder Middle Schools (Obsidian Middle School or Tumalo Community School) and Ridgeview is your boundary high school, then you are already slated to attend Ridgeview. If your intention is to attend another high school (outside of your boundary high school), please contact your destination school to secure your place on their rosters.

Obsidian and Tumalo Families: Our counselors will visit OMS and Tumalo in mid-February. Your students should complete the Scheduling Next Year's Classes forms, and turn them into Ridgeview on Future Freshmen Day (2/27/18). Otherwise, please contact our Registrar, Shelley Marks, at (541) 504-3600 for a copy of the form.

Non-feeder School Families: RSD's Open Enrollment is from March 1, 2018 - April 1, 2018. In order to assure your transfer request is approved, please complete a 2018-19 Assigned School Transfer Form ([available on our website 3/1](#)). We also invite you to tour our school. Please contact our Counseling Department at (541) 504-3600 to schedule a tour.

Please review our [Course Catalog Webpage](#) and the Class Information Videos (under each course description)—these will help explain each course's focus, prerequisites, and more.

Feel free to contact us at (541) 504-3600 or our Counseling Department's Registrar, Shelley Marks, to determine how to best answer your questions.
